The Town Council's Aims:

- To promote the Town, its people, businesses and amenities
- To provide support to the Town to make it a prosperous and enjoyable place to live and work by maintaining and improving its well-being

Introduction

Welcome to this eight Annual Report of Risca Town Council.

I hope that you will enjoy reading about the work of Risca Town Council and the people we serve.

I would like to thank the elected members of the Town Council for their hard work throughout the year.

I would also like to thank the many individuals and organisations who have worked with us to improve the well-being of the community of Risca Town.

A handwritten signature in blue ink that reads "R J Campbell". The signature is written in a cursive style and is positioned above the printed name of the signatory.

Bob Campbell, Risca Town Clerk

About Risca Town Council

Risca (Welsh:Rhisga) is a town of approximately 11,500 people in southeast Wales, within the Caerphilly County Borough and the historic boundaries of Monmouthshire. To follow its county borough Ward boundaries it is split into a division of East and West.

The Council was set up as Risca West Community Council alongside the neighbouring Risca East Community Council following local elections in late 2012.

Its inaugural meeting of eight elected Councillors was held in February 2013. The Caerphilly county borough council recognised the Council as having a 'Town' status in late 2013 and the name was duly changed to Risca Town Council to reflect this.

The Town Council area has a population of over 6,000 within its boundary that includes the Wards of DanyGraig, Ty Isaf Fields, Town and Fernlea and Pontymister Lower.

The Council is made up of eight elected Town Councillors and one staff member, its Town Clerk.

The Council has steadily progressed with providing its Council business and local services where necessary since April 2013.

Details of the elected members and how to contact them are available at www.riscatowncouncil.org.uk. Notices of meetings, agendas, reports and minutes can also be viewed here, along with the governance, policy documents and other information about the Council and its business.

The Council derives almost all of its funds from its precept. That is an additional amount which is added to Council Tax bills based upon the Council's estimated expenditure. For the 2022/2023 financial year it had an annual precept of £50,000. The Council has estimated that it needs to spend the majority of this amount on its service provision, commitments, local Projects and local donations. From the outset in 2013 the Council accepted the financial advice from its recognised partners that at least

30% of its annual income needs to be saved for future election purposes and as a Council reserve.

Further information about the Council's finances, including its annual accounts is on the website.

This Report includes in Appendix 1 a summary of the Mayor's year in office and Appendix 2 the Council's services and Projects that are delivered to all age groups in a variety of forms from Christmas Festive lighting to summer flower baskets. These events contribute to the wellbeing of the Risca townsfolk.

The Way Forward for a Resilient and Competent Risca Town Council

What we think we did well:

Our members closely monitor the way the Council is run to ensure we use our resources wisely.

We have strong links with Risca East Community Council, Caerphilly County Borough Council, Gwent Police and our local businesses to help contribute to the continued regeneration of Risca.

We keep neighbourhood services matters under particular scrutiny. We encourage positive attitudes to sustainability and environmental issues, especially amongst our young people.

What we think we could do better:

We will continue to look at ways of working with the townsfolk and local businesses in our community to encourage sustainability. We will work with our partners to make the best use of our resources.

We will seek the inclusion of our younger townsfolk at our council meetings and events organising sub-committees.

We want to encourage more members of the public to attend our events. We will make this a priority for the future.

We will strive to keep our working practices environmentally friendly, supporting sustainable approaches to recycling, waste management and use of resources.

Risca Town together with the Town and Community Councils of Caerphilly County Borough commit to working in an environmentally friendly way, to take into account the environmental impact of any goods or services we source, to promote reduce, reuse and recycle programmes, to look at contributing to sustainable planting and preserving biodiversity, to raise awareness of the impacts of climate change and foster relationships between the community, local businesses and the local authority as to

how we can work together to find shared solutions. We will take into account those biodiversity concerns and requirements as set out by Welsh Government in all our decision making.

Finally, we face many new challenges and opportunities. It is important that we are ready to face these challenges to be Fit for the Future via a number of 'competency' tests that are emerging to help us determine how well equipped we are to meet the challenges ahead. These tests will bring more consistency to the sector with higher standards of governance and financial management. These tests may include: a democracy test, a capability test and a governance test. The Council already has sound financial management and internal control systems in place, regularly publishes our agendas, minutes and accounts on our website and is contactable by email and the social media of Facebook, Twitter and Instagram.

The Council has managed to continue its essential business via in person meetings (with remote virtual access available only upon prior notification, of at least 3 days, with the Town Clerk). We acknowledge the Welsh Government rule for 'hybrid' - in person and virtual - meetings together and with the community.

Appendix 1 - Mayor/Chairperson's Report

I am proud to have been elected Mayor/Chairperson and have very much enjoyed representing the Town Council for a first term over the last health crisis affected 12 months.

We have a strong team of Councillors who together with our Clerk all share the same common interest of improving our community. We continue to welcome suggestions from fellow residents and will always strive to improve the Town and the services available to us all. We

continued to enjoy a very good working relationship with our County Borough Councillors, Bob Owen and Ceri Wright through 2022.

There are of course many individuals and organisations who have worked with us to improve the well-being of Risca Town and it is great to see so many local residents both young and old taking an interest in our activities and services.

During the last year we were able to carry out our main projects of summer flowers and hanging baskets and Christmas festive lighting and Christmas Tree lighting. We again supported the 8 street planters, the two new 4-tier planters plus an extra 7 hanging basket sites in the summer of 2022. We agreed to replace our 35 Festive lighting lanterns for Christmas 2023 and these are in storage with our local contractor. We again held a Christmas Window competition in 2022 and we continued to financially support the Save Risca Toilets local charity.

We look forward to our other projects in 2023 which include:

- A King's Coronation Spring Fair – tea party with live music
- Bands in the Park – Sunday afternoon with the local Cross Keys silver band
- Armistice Remembrance Concert and events

Finally, we have supported local charities and organisations with donations during the year. It has been a privilege to support the wonderful work that they do. These included :

- Air Ambulance Wales
- Risca Royal British Legion for Christmas Gifts
- Risca Royal British Legion for Falklands Memorial Concert
- Risca Royal British Legion for Water supply at Pontymister Gardens
- The 'Kids Cancer Charity'
- Abercarn Scouts
- Moriah Church's Save Risca Toilets Charity
- FC Pontymister for first aid kits
- Cerebral Palsy Charity

Councillor Sally Davies

Mayor of Risca Town Council – 16 May 2022 to 15 May 2023

The following photographs are from some of the projects the Council carried out in 2022:
