G2 Correspondence/financial assistance applications

The Council considered a few recently raised complaints: concern that there is no lighting in the new Commercial Street car park for local business staff working into the darkness, drainage issues at the St Mary Street car wash establishment and that the removed footway boundary wall has not been replaced, weeds are not cut out from the local footways and some sandbags are still not removed, The Council are aware that repair work has started at Stony Bridge and that CCBC are to resurface Maryland Street later this year. The Clerk is to notify the County Borough Ward Cllrs of these issues and items.

The Council considered the recent financial assistance request from Risca Senior Citizens Hall. The Council were aware that they had made previous donations to the Hall over the last few years and were unable to assist on this occasion. The Council also considered the recent financial assistance request from Risca Volunteers charity for vehicle maintenance costs. The Council decided that they were unable to contribute public money for vehicle maintenance. However, they agreed for the Clerk to submit the Council's assistance application forms to the applicant to see if the Council can assist the local charity on a community topic

H/ Current Projects Summary

The Clerk has contacted CCBC for permission to use Tredegar Park, Risca for both of its planned Town Council events. The Council are looking forward to its planned Bands in the Park event on Sunday 20 July with the Crosskeys Silver Band playing. The Council is starting its plans for its Winter Fair on Saturday 22 November

I/ Planning Applications – Case Ref. 25/242 – The Council wish to object to this second application on grounds of no car parking being attached to it and no onsite waste provision - private bins left out on the footways already cause obstructions to the local streets

The meeting closed at 8.05 pm
